Last weekend was our Parish Commitment Weekend for the *2017 Partners in Charity Appeal*. Thank you to those who made a gift and a special thank you for those who gave for the first time. To help us reach our parish goals, we need the support of everyone. If you have not yet completed your pledge, please prayerfully make your pledge and return it to the church office or in the collection basket. Pledge envelopes can be found in the back of each Church. Thank you!

SPOTLIGHT: EL SALVADOR

Dignity of work and workers' rights

Jesus spent years working as a carpenter. Work is important as it helps people express their talents and potential. People must receive a fair wage for the work they do, so they can support themselves and their families.

ENCOUNTER FERNANDO

Fernando dreams of becoming a businessman. He also dreams of a better future for his family, and this motivates him to sell cookbooks on buses in San Salvador. It's a dangerous job for $ 10 a day-gangs often stop and harass drivers and passengers-but he keeps going, determined to achieve his dreams.

It was his dreams that took him to Young Builders, a 6 month program sponsored by CRS that trains young people in business. There he found a positive community to help him pursue his passion, despite the challenges of life in El Salvador. "When I tell my colleagues that I want to do something, they tell me to try and not stop."

Training with Young Builders was not easy for Fernando or his family. Without his wife to support him and care for his two young daughters, early mornings and long days might have been impossible. "Young Builders is a family because families help make your dreams come true," says Fernando. It is a fact that he knows well.

Fernando is putting his new skills to work. After graduating from Young Builders in 2016, he participated in a series of workshops for entrepreneurs organized by CRS and is currently working on a new business plan. He is also part of the Young Builder graduates network, youth leaders who mentor other youth and seek new employment and growth opportunities.

With your help, through the Lenten Rice Bowls, CRS continues its work to promote training and fair wages to help build the economy in poor nations.
